

# Olarik Surinta, Ph.D.

*Associate Professor*

Multi-agent Intelligent Simulation Laboratory (MISL) Research Unit  
Department of Information Technology, Faculty of Informatics  
Mahasarakham University, 44150 Thailand

Email: [olarik.s@msu.ac.th](mailto:olarik.s@msu.ac.th)

Website: <http://olarik.it.msu.ac.th/>

**Date of Birth**                      October 1, 1978

**Current Position**                Lecturer at Mahasarakham University  
Department of Information Technology, Faculty of Informatics  
Mahasarakham University, Thailand

**Research ID**                      Web of Science: *M-8878-2019*  
Scopus: *16176331500*  
ORCID ID: *0000-0002-0644-1435*

**Research Interests**            Handwritten character recognition, Historical document analysis,  
Artificial intelligence, Machine learning, Deep learning, Image and video  
recognition, Computer vision, Image processing, Image captioning

**Experience**                        *2018 – Current*  
Director of Ph.D. Program in Information Technology, Department of  
Information Technology, Faculty of Informatics, Mahasarakham University

*2004 – Current*  
Lecturer, Faculty of Informatics, Mahasarakham University, Thailand  
Teaching in Ph.D., Master, and Bachelor degrees of Information Technology

## Editorial Roles

- Computer Animation and Virtual Worlds
- SN Computer Science
- Frontiers in Neurorobotics
- Frontiers in Artificial Intelligence (Machine Learning and Artificial Intelligence section)
- ICIC Express Letters, Part B: Applications
- Journal of Computer Science and Informatics Engineering (J-Cosine)
- International Journal of Computer Science, Engineering and Applications (IJCSEA)
- Journal of Applied Informatics and Technology (JIT)

## Education

PhD in Artificial Intelligence, 2016  
*Research Institute:* Artificial Intelligence and Cognitive Engineering (ALICE)  
University of Groningen, The Netherlands

MSc in Information Technology, 2003  
King Mongkut's Institute of Technology North Bangkok, Bangkok, Thailand

BBA in Information Systems, 1999  
Faculty of Business Administration, Department of Information System  
Rajamangala Institute of Technology, Thailand
